Bb9 Series: e-Assessment with Blackboard 9: attempting quizzes, checking similarity of assignments with Turnitin and participating in self/peer evaluation (Students ONLY)

[February 23, 2010; 2:30 pm to 4:00 pm.] The upgraded Blackboard 9 provides various features of e-assessment. Students may be asked to attempt quizzes, check assignment similarity with Turnitin, and evaluate peer's works when attending courses. This workshop introduces such features to participants and provides hands-on experience so that they become familiar with the tools.
